CONDITIONS OF SALE

1. All bids to be per PIECE as numbered in the catalog unless otherwise designated. The highest bidder to be the buyer. In all cases of disputed bids the decision of the Auctioneer shall be final.
2. Conditions beyond our control make it necessary for us to change our policy in regard to executing bids. A charge of 5% will make for executing your mail bids; no charge except for lots actually purchased. In no case will there be a charge exceeding \$5.00. Thus if purchases exceed \$100.00, the commission will be only \$5.00.
Previous bidders will recognize that the service we give is worth this small charge and that our policy of buying the lots for you as low as possible should still result in a savings.
3. The Lots will be on exhibition at the Numismatic Gallery, 42 East 50th Street from April 16th to April 30th from 10 A. M. until 5 P. M. and on May 2nd at the Neil House at Columbus, Ohio from 9 A. M. until noon.
4. Buyers to give their name and address and to make such cash payments on account as may be required, in a default of which the lots purchased will be resold immediately. Mail bidders must have an established credit with the auctioneers or cataloguers or send a deposit equal to 25% of their bids.
5. Accounts must be paid, and purchases removed, within 24 hours after the sale; or in case of mail bidders, when bills are rendered. No claims will be allowed unless presented within TEN days after sale. Our pledge to consignors to make complete settlement within 30 days of the date of the sale requires that buyers co-operate by making prompt payments.
6. The authenticity of the coins is guaranteed by the cataloguers. The condition is carefully stated and NO lots are returnable except by agreement of the cataloguers.

SPECIAL NOTICES

- a. Estimates will gladly be furnished by the cataloguers. Write the lot numbers on a sheet of paper, leaving space for the estimate opposite each number, put your name and address on the sheet and mark, "Request for estimates."
- b. An official price list of the prices realized will be published 2 weeks after the sale. Priced at 50 cents, it may be ordered by checking your bid sheet in the square provided for that purpose. A Purchaser whose bill exceeds \$25.00 will receive a price list free of charge.
- c. This sale will NOT be conducted at the Numismatic Gallery as usual. Instead it will be held at the Neil House at Columbus, Ohio and all mail bidders are urged to send their bid sheet in early.

ALBANY COLLECTION

U. S. PATTERNS

It was our privilege to offer a great collection of pattern coins in our January and March sales. The successful disposition of that fine mid-western collection, resulted in another consignment of similar material.

This collection from Albany, N. Y. contains a number of items which were lacking in our previous offering, and - lacks some that were offered before. We have taken the liberty of including, also, a small consignment of pattern coins from a New York City Collection.

The reference (A.W. numbers are, naturally, to the work by Edgar H. Adams and William H. Woodin entitled "United States Pattern, Trial and Experimental Pieces." This book originally published by the American Numismatic Society, has become quite rare. Recently, however, a reprint was made to sell at \$3.00. In order to permit the collector to more intelligently study this offering, we have made available a limited supply of these at the NUMISMATIC GALLERY. They may be examined free of charge, at the Gallery, or purchased at the regular price of \$3.00, postpaid. The rarity of each pattern has also been classified according to the Standard Adams-Woodin scale - as follows:

No. Issued	Rarity	No. Issued	Rarity
Unique	R. 15	21 to 25	R. 8
2 to 3	R. 14	26 to 35	R. 7
4 to 5	R. 13	36 to 50	R. 6
6 to 8	R. 12	51 to 75	R. 5
9 to 12	R. 11	76 to 100	R. 4
13 to 15	R. 10	101 to 300	R. 3
16 to 20	R. 9	301 to 500	R. 2
		Over 501	R. 1

It is well to keep in mind that all patterns were struck only as proofs and consequently we have omitted this term in describing the coins. **Remember: Unless otherwise stated, all the following patterns are in Proof Condition. OUR PRICE LISTS 13 and 14 will be very valuable in guiding your bids. Send for them.**
